

Lewis County Chamber of Commerce in 2022

By Joni Pugh

The mission of the Lewis County Chamber of Commerce is to serve, represent, and enhance business growth in order to improve the economy of our community. When we say community, we are not simply

us know of items which can be posted on the Chamber Facebook page and please be sure to "like" the page. The Chamber always wants to assist anyone's business in getting the word out about events, sales, and anything you would like others to

know. In 2022 the Lewis County Chamber joined the KY State Chamber of Commerce which provides important benefits to our Chamber members. Self-insured group benefits are available with Anthem's Chamber Advantage Plan. Individual health insurance is available with Anthem Enhanced Choice. A 10% discount on Worker's Compensation Insur-

ance is available through Clear Path Mutual. In January of 2022, the Chamber received a Certificate of Appreciation for being a sponsor of the Wreaths across America trip which allowed the JROTC senior cadets to take a

Individual members and businesses in the Chamber donated money to

the cause as well.

In 2022 the Chamber planned, with the City of Vanceburg, the first annual May Fest. The festival was a huge success with the viewing of the KY Traveling Vietnam Memorial Wall as well as the banners hanging on Main Street with the pictures and information regarding those from Lewis County who had lost their lives in the Vietnam War. The festival had many booths with artisans, a chainsaw wood carver, and delicious food and pastries for the crowd. It was a great opportunity to hold the festival in the heart of town like all of the festivals have been for many years. This allowed local restaurants to also benefit from the support of the community.

In September of 2022, a Regional Chamber meeting was held at the Carter House. The Mason County, Fleming, Bracken, and Lewis County Chamber Officers participated. The focus of this group was and will continue to be to support each other and advocate tourism as a region.

In September, the Chamber of Commerce gave a donation to the Lewis County Animal Shelter and to the Lewis County Band Boosters. We are proud to support these worthy organizations.

On October 8, the Octoberfest was sponsored by the Chamber, the city, and the

Vanceburg Lions Club. The festival was a big success and will continue to be an annual event.

In December, the Chamber held a drawing for a gun raffle fundraiser during the City Holiday Parade. The winner of the raffle was Richard Tillery. They also gave a donation to the City of Vanceburg for the "Shop with a Cop" Christmas project.

Throughout the year two of the Chamber Officers have participated on the steering committee for the Ohio River Way. This project is promoting all of the river cities between Portsmouth, Ohio, and West Point, KY, by creating a digital guide which will provide information about amenities in each

town and advertise their events.

It has been a busy and productive year and we look forward to continuing our progress in 2023. As writer Margaret Meade once said, "Never doubt that a small group of thoughtful committed citizens can change the world. Indeed, it is the only thing that ever has." We hope you, whether you own a business or do not, will join us as a member to promote and improve the quality of life in Lewis County. To become a member, please contact Joni Pugh @ 606 202-2274 or the head of our membership committee Roger Jahn at 606 796-2660.
