Statewide PVA exam will be offered in Louisville

BY CKNJ NEWS

The 2025 statewide Property Valuation Administrator exam will be offered Thursday, Nov. 13.

Any prospective candidates for the office of PVA in the 2026 election year for the term of office that begins in December 2026 and runs through December 2030 should register for the upcoming 2025 statewide examination.

Under Kentucky law, passage is a requirement for all candidates before they are eligible to appear on the ballot for this elected position.

The test will begin at 10 a.m. EST Nov. 13 at the Holiday Inn East Louisville at 1325 S. Hurstbourne Parkway,. The Kentucky

Department of Revenue administers the PVA exam every four years. The statewide exam will not be offered again until November 2029.

Participants will have 3.5 hours to complete the examination, which consists of questions that test the applicant's general knowledge. There is no study guide for the examination.

To register for the exam, applicants must meet the criteria set forth in Section 100 of the Kentucky Constitution.

To be eligible, applicants must be at least 24 years of age, a Kentucky resident for at least two years preceding the election and be a resident in the county in which they intend to file for office at least

one year prior to the election.

Pre-registration for the examination will be available on the PVA Exam Information page of the Department of Revenue website.

Upon successfully completing the online pre-registration, individuals will receive email confirmation of their reservation within one to two business days. Pre-registration closes at 11:59 p.m. Nov. 6. All examinees will be required to produce a government-issued photo ID at check in.

Under Kentucky law, before a candidate's name may appear on a primary or general

election ballot for the office of PVA, they must successfully pass a written examination.

In the event of an unexpected county PVA vacancy, such as early retirement,

resignation or death of the elected office holder, a special PVA examination will be scheduled for the affected county or counties only.

For questions concerning

registration for the PVA examination, contact Leslie Mayes at the Department of Revenue at 502-564-1258 or by email at leslie.mayes@ky.gov.

LEGAL NOTICE

Campbellsville Independent School District
Child Find for Children with Disabilities in Need of Special Education or 504 Services

2025-2026

Child Find

The Campbellsville Independent School District (CISD) keeps educational records in a secure location in each school and Board office.

The Campbellsville Independent School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Campbellsville Independent School District may destroy the educational records of a child without parent request three years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Campbellsville Independent School District may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities and four-year-old children who are at-risk, as defined by federal poverty levels up to 160%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Campbellsville Independent School District has an ongoing "Child Find" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Campbellsville Independent School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Campbellsville Independent School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Campbellsville Independent School District collects the information needed. The information the school District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Campbellsville Independent School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call 270-465-4162 or send the information to:

Director of Special Education: Joni Davis 270-465-4162	Section 504 Coordinator: Joni Davis 270-465-4162 Campbellsville Ind. School District 136 South Columbia Avenue Campbellsville, KY 42718	Director of Pupil Personnel: Elisha Rhodes 270-465-4162

"Child Find" activities will continue throughout the school year. As part of these efforts the Campbellsville Independent School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially.

Written Policies and Procedures have been developed which describe the District's requirements regarding the confidentiality of personally identifiable information and "Child Find" activities. There are copies in the Principal's office of each school, and in the Board of Education office. Copies of these Policies and Procedures may be obtained by contacting:

Director of Special Education
Joni Davis
